

HIGH VALLEY *Vineyard*

JOLLY'S SUMMER SPRITZ

Located in the Coastal Ranges of northeastern Lake County, the High Valley AVA rises between 1,600 and 3,000 feet in elevation, providing our finest mountain fruit.

Our “Jolly” wine is made from Grenache grown on the north slopes of High Valley. We found this gem tucked away in neutral barrels, the soft strawberry and spicy pepper characters jumped out at us and made us Jolly! We added a spritz to this light red, almost Rosé, to encourage people to serve it chilled and enjoy it all season long. It's unique and very enjoyable with strong cheeses, charcuterie boards, or strawberry and goat cheese salad. Expand your world and get Jolly.
