

SHANNON

RESERVE

The Shannon Ridge Reserve Collection exemplifies our commitment to and mastery of sustainable farming. Our "Ovis Cycle" farming integrates sheep into the vineyards to control weeds, naturally fertilize the vines and provide wool and protein to our families. The fruit for this collection is carefully selected by our wine making team and produced from our premium vineyard blocks.

BARBERA

VINTAGE 2014

For the third drought year in a row, 2014 was early, mostly due to lack of water. Once ripening began, the hot, dry summer threatened to turn our precious grapes into raisins and it was a race to get them off the vines and into fermenters. It was a smaller crop than average, but intense concentration.

TASTING NOTES

The color is dark and as intense as the wine. Fresh cranberries and plum co-mingle with tobacco and all spice on the nose. The palate is of dried herbs, sour cherries, and savory oak notes. The intensity and lingering finish of this wine is a direct result of the intense sunlight where this Barbera is grown.

Barbera Home Ranch • 100% High Valley AVA
36% new oak • 2/3 French and 1/3 American oak selections • 24 months oak aging
26.8 Brix at harvest • pH 3.26 • Total Acidity 6.8 • Alcohol 15.1% • RS 0.13%
