## 2017 SAUVIGNON BLANC

Red Hills, Lake County

100% Sauvignon Blanc

Alcohol: 13.9%

Acidity: 0.73

pH: 3.34

RS: 0.28

SRP \$25

At elevations ranging from 1,400 to 3,000 feet and located at the base of Mount Konocti, once an active volcano, the Red Hills AVA features rolling hills, red volcanic soils, and a lake effect breeze from Clear Lake, one of North America's oldest natural lakes.

### WINEMAKERS NOTES

This wine is crafted from 100% Sauvignon Blanc Clone 01 on 101-14 rootstock. The ancient volcanic soil of the Red Hills appellation bring out the lush flavors of this lively wine. We ferment the juice in stainless steel tanks at 55°F (13°C), long and slow, resulting in a flood of crisp pear and granny smith apple aromas filling the glass, perfectly balancing the notes of citrus and guava on the palate.

*"The playful spirit of our dogs that guard the sheep in the vineyard is reflected in this juicy and balanced wine – a great daily drinker."*

~Joy Merrilees, Director of Winemaking and Production
